23rd Annual Operation Blood Drive - HUGE SUCCESS!

**Thank you so much OBD
Chapter Team!** What a grand day it was and each of you contributed so much to our success (and my sanity- haha). We collected 347 units of blood (our goal was only 325)!! Our new system Fast-Pass (Linda East's concept) worked quite well and several donors made good use of it, allowing their donations to be counted.

As always, I'm deeply indebted to each and everyone of you! with my heartfelt gratitude, Beth

The details:

First Shift: 155 presented, 14 first time, 168 productive (128 whole blood and 40 DRC).

Second Shift: 150 presented, 15 first time, 179 productive (133 whole blood and 46 DRC).
