

Workplace Safety Training Workshop
Friday July 24, 8 am – 10 am
Continental Breakfast, 203 2nd Ave East
Enhance or create a Workplace Safety Training Program
with the American Red Cross

- Learn about Red Cross programs available for your business's safety training
- New time saving, Web-Based Blended Learning CPR and First Aid training programs
- Cost-effective ways to provide workplace safety training in CPR, First-Aid, Bloodborne Pathogens. Training that provides American Red Cross certifications can be done on your site, with your own staff, saving you time & money!
- AED Vendor will be on-site with automated external defibrillator demonstration and information
- Find how your employees can get more involved in our community as disaster response volunteers, youth program leaders and more with the American Red Cross.

American Red Cross offers a variety of ways to train your staff and help you meet OSHA guidelines. **Want to know more?** Join us for this informative workshop for Henderson County employers.

Please RSVP to Andrea McGuire at 693-5605 ext 204, by e-mail at andream@hcredcross.net or by fax at 693-3234. RSVP by Tuesday July 21, 2009. Space is limited.

Do you need an AED machine? Let the Red Cross help you with your purchase & training!
